Illinois Libraries Present (ILP): Holiday Tips & Tricks with Chef Art Smith Wednesday, November 20, 7:00p

Join Chef Art Smith to learn about his culinary journey and bring some culinary inspiration into your holiday season. A two-time James Beard Foundation award winner, Smith believes “The art of cooking, the feeding people, is the most engaging, most memorable way to connect with people.”

Smith began his career at the Florida Culinary Institute and honed his skills working with top chefs in France before finding himself in Chicago. There he served as Oprah Winfrey’s personal chef for a decade and opened his first critically-acclaimed restaurant, Table Fifty-Two, known for its modern Southern dishes and locally sourced ingredients. Smith is also a prolific cookbook author and TV personality, sharing his passion for Southern cuisine. He has appeared on *Top Chef*, *Top Chef Duels*, *Top Chef Masters*, *Iron Chef America*, *The Today Show*, *Good Morning America*, *Entertainment Tonight*, *BBQ Pitmasters*, *The Oprah Winfrey Show* and more.

Named Chicagoan of the Year by *Chicago Magazine* and Humanitarian of the Year by the James Beard Foundation, both in 2007, Smith is currently Executive Chef and Co-Owner with restaurants in Chicago, Orlando, Atlanta, and Washington, D.C. He is the founder of Common Threads, a non-profit organization teaching low-income children to cook wholesome and affordable meals. Smith will be joined in conversation by Monica Eng, award-winning Chicago journalist and co-host of the food podcast "Chewing" with Louisa Chu.

In Cod We Trust

Wednesday, November 13, 11:30a

Fish and chips are synonymous with the UK, traditionally a mainstay of the British working-class diet and even used as "code" for sussing out compatriot troops on the beaches of Normandy. Despite its rebranding as distinctly British fare, fried fish was originally introduced to the UK by persecuted immigrant populations. Anglophile and former UK resident Claire Evans looks at what lies beneath a nostalgic national dish's contentious international history: from secret fishing grounds, Cod Wars, and overfishing to the difficulty of selling fish in today's political landscape. Learn how to make sure your fish and chips are sustainably sourced, and how to navigate and appreciate the highlights of a modern "chippy" menu in this virtual presentation. **Z**

A Note from the Friends of the Dunlap Public Library

What was the BIG reveal?

The Friends held a General Membership Meeting on October 10. With an improvised drum roll and lots of cheering, we shared that Cultivate Solar donated \$10,000 to the Friends of Dunlap Public Library. Thanks to this generous donation, we immediately met the goal set by Friends attending the July General Membership Meeting and donated funds to the library to purchase two Tonie Boxes, a screen-free audio player that plays songs and stories and encourages listeners to use their imagination, and an annual subscription that will provide several new Tonies, the audio component, for the library. Big news, right?

In addition to that exciting news, we discussed a new activity to coordinate with the library's upcoming theme during January and February. Volunteers are needed! Contact us at friends@dunlaplibrary.org for more information.

We introduced two new programs that will be available to folks attending the General Membership Meeting: “Behind the Scenes” and “First Look Books”.

- “Behind the Scenes” provides a brief overview of a topic about our library. Kelly Kerckhove, Coordinator of Marketing and Technical Services, shared how the library selects new books and what happens when the new books arrive at the library.
- “First Look Books” are advanced reader copies of books yet to be published. Laura Keyes, Library Director, obtained the books at a recent conference, and they are now available for Friends to borrow from the library. Look for the small bookcase at one end of the Circulation Desk.

Be sure to attend our January 9, 2025, General Membership Meeting and take advantage of these programs! Members and the public are welcome.

Our celebration of National Friends of Libraries Week took place October 20-26. Library patrons entered a raffle to win a National Friends of Libraries tote bag and a mug. Other Friends freebies were available to take home.

While our General Membership meetings occur quarterly, the Friends leadership team meets most months on the first Monday of the month at 6 pm in the library community room. All are welcome to attend these meetings; we'd appreciate hearing your thoughts!

Double the impact of your donation. Many organizations, like Caterpillar, offer employer match programs. The Friends of the Dunlap Public Library is now part of the Caterpillar Foundation matching gift program. Watch this space for more information about how to take part in Cat's program.
